at 1600 on Tuesday 02 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly cloudy with the risk of showers.

This Evening and Tonight:
Clear spells in the west and south for a time before low cloud and fog patches form through the night from the east. Turning cloudy for all by dawn. Risk of a frost in prone locations. Minimum temperature 0 deg C (32 deg F).

Wednesday:
A largely cloudy day with the risk of showers in the south later, locally heavy. Chance of brief cloud breaks during the afternoon too though, allowing for hazy sunny spells. Maximum temperature 10 deg C (50 deg F).

Outlook for Thursday to Saturday:
Cloudy on Thursday with the odd spot of rain. Brighter on Friday and Saturday with plenty of sunny spells, but feeling colder with overnight frosts.
